February 1, 2014

Dear Players and Families,

On behalf of the Thai Junior Golfer Guardian Association (TJGGA), it is with great pleasure to welcome you and your family to The Asian Tournament of Champions 2014. We look forward to a wonderful week of junior golf competition! Our goal has always been to support junior golfers and their passion and desire to excel in this sport. We are very proud, as parents, to see that many junior golfers have had international golfing and education experience in the United States. The International Junior Golf Academy has been a wonderful place for junior golfers to fulfill their passion. The stories are amazing and we wish to continue this tradition for many years to come.

As always, we wish to support the golfing dreams of our junior golfers. I would like to take this opportunity to thank you for making the journey to Thailand. We understand the difficulties in making the journey to Thailand during this period. This year, the events are held at the world-class Springfield Royal Country Club in Cha-am, Thailand. This remarkable golf facility is the home of the Asian Tour Qualifying School. Mr. Les Walsh and the Director of Golf, Michael van Amelsvoort, and his team have done a remarkable job to prepare for our competitions. Please review the updated schedule and make sure you arrive on time.

I want thank every person involved with making these events successful. Please do not hesitate to contact Mr. Les Walsh at +6681-919-7639 if you have any questions or concerns.

We wish for your experience in Thailand to be wonderful!

Sincerely yours,

Mr. Marut Siriko
