

2015 ASIAN TOURNAMENT OF CHAMPIONS

Dear Players & Families,

Congratulations and welcome to the 2015 IJGT – Asian Tournament of Champions. After three incredible years in Thailand this year's event has moved to Beijing, China! A special THANK YOU to Tony Meechai and his team for delivering a great experience and showing that true Thai hospitality all these years!

This year's host venue is the Ian Woosan designed Topwin Golf & Country Club, one of Beijing most exclusive private clubs, nestled at the foothills of the Great Wall, it is a spectacular course that will test your game and championship spirit. The team at Topwin are looking forward to creating a unique championship experience for all of our participants.

We would also like to take this opportunity to thank all of our partners for supporting the growth and development of the IJGT Tour. Over the past four years the tour has grown from 10 events in 2011 to nearly 30 events in 2015.

In addition to playing in both the Asian Tournament of Champions and our USA Tournament of Champions our tournament winners have been offered exemptions in Japan LPGA, Japan PGA Tour and European Challenge Tour events as well as had the opportunity to participate in golf clinics with Tiger Woods & Rory McIlroy. These incredible experiences are a testament to the growth and success of the tour and the hard work that our tournament partners have invested in the tour. We are looking forward to offering more unique opportunities as the tour continues to grow.

We are also excited and happy to announce our partnership with Bishop's Gate Golf Academy (BGGA) in Orlando, Florida. Similar to IJGA, the team at BGGA are dedicated to creating transformational experiences for today's junior golfers, preparing them not only for success in golf, but in life. This year's championship will be an opportunity to meet and learn more about this exciting new partnership.

In addition to this letter is additional tournament information and contact details for assistance in making hotel reservations and transportation needs. In addition please check with your local China embassy or consulate for visa information. We have the ability to provide a formal letter of invitation if that is required.

Thank you once again and I look forward to seeing you in two months time.

Yours truly,
