

IJGA INTERNATIONAL JUNIOR GOLF ACADEMY

Dear Parents, I would like to personally thank you for having your child participate in our upcoming IJGT tournament in Fukuoka on July 22nd. The last one and half years have been challenging for all of us. I am hopeful in the coming months we can get back to some normalcy, where our attention can be focused on helping your children fulfil and maximize their potential on the golf course.

2011 Champion Higa Kazuki

I want to remind you that if you are interested in having your child come to the US, we are offering a special package to come train at IJGA in Orlando, FL. Your child will have an opportunity to experience firsthand what makes IJGA so special. For over twenty five years students have come here to learn the same methods that have helped some of the best players on the PGA and LPGA Tour. While at IJGA they will train and compete with some of the best junior golfers in the world.

Cost of the one week program is \$1,000 and includes 6 nights accommodations with daily training Monday through Friday. We are quite flexible with dates given the current Covid situation and can extend this offer into 2022.

If you would like to learn more about this opportunity or have questions, please do not hesitate to reach out to me. You can email me directly in English or Japanese if preferred. Good luck in the upcoming tournament and I look forward to hearing from you.

Sincerely,

Patrick O'Toole

Director of International Business Development
